Planning Lists for (cancelled) Meeting 11 November 20

List 42- 45 included (6 November 20)

DECISIONS

APP/20/00653/F

18/06/20

69 Canford Cliffs Road

Permission already exists for an extra garage to the front of this house, but this new application is for a small house, described as an annexe for carers. BPC CRA has made an objection, as this plot is in the Conservation Area, and it could result in another "site-splitting" exercise. Permission was **granted** on 15 October 20, but with a clear condition that the building cannot be used as a separate house.

APPEALS

APP/20/00698/F

10/07/20

4 Western Road

This is another revised scheme, which seems to be very similar to the second one. Some changes to balconies have been made, but the neighbours remain very upset about the replacement of a bungalow with a block of flats, with still no attention being paid to the access arrangements. An appeal has been lodged, due to the delay in a decision. Meanwhile, a separate application has been registered to add a second storey to the existing bungalow (*APP/20/01162/PA*). Several neighbours have now stated that they are happier with this proposal, but there is one who is disturbed by the impact on their privacy.

APP/19/00265/P

10/10/19

Flaghead Cliffs

This application for 12 Beach Huts was **Refused** on 6 April 20, but an appeal has now been lodged, on 22 September 20. It still does not seem appropriate for this sylvan area.

APP/20/00456/F

18/05/20

16 Western Road

The second application for this large house to replace a bungalow was not decided in time, so an appeal has been lodged, on 22 September 20. The appeal documents also include the original proposal, which was even larger.

APP/19/01531/F

17/12/19

2 Chesterfield Close

This site-splitting proposal was **Refused** on 21 April 20, but an appeal has now been lodged, on 2 September 20. At the time of writing, there is no further information about the grounds of appeal on the planning website.

APP/18/01072/F

16/08/19

2 Wilderton Road

The Planning Inspectorate has arranged a hearing on 11 August 20. Meanwhile, another appeal was launched on 17 July 20. This is for the revised scheme for a block of 21 flats (**APP/19/00744/F**, 11 June 19).

APPLICATIONS

APP/20/00900

05/10/20

28 Bury Road

This is a proposal to replace a tennis court with a detached house. The site already has a history of similar attempts, and this one would be particularly damaging for the house on Canford Cliffs Road which backs on to it. There is also concern about the impact on the footpath which joins Canford Cliffs Road to Bury Road. As this is in a Conservation Area, the site-splitting should not be allowed.

APP/20/01013/F

30/09/20

2A Martello Park

This development has now been acquired by another developer (Foritudo) who have once more applied for permission to add an extra flat on the 5th floor, even though this was previously rejected. The immediate neighbours are understandably upset. BPC CRA has registered an objection, but it is wrongly labelled as "Society for Poole".

APP/20/01079/F

25/09/20

49 Links Road

This is a bungalow next to the entrance to Parkstone Golf Club, and near a busy crossroads. There is already permission for two semi-detached houses, but this is a more aggressive proposal for two "linked" detached houses. It would mean replacing a 3-bedroom property with 7 bedrooms, and the parking arrangements are quite inadequate. BPC CRA has registered an objection. At the moment, the whole of Links Road consists of single detached houses, and it does not seem appropriate to change that.

APP/20/01089/F

28/09/20

66 Lilliput Road

This proposal is to build 2 houses with 5 bedrooms on the site of an existing bungalow. The Council Tree Official has already recommended refusal due to the impact on the protected trees on the site.

APP/20/00698/F

10/07/20

12 Eaton Road

The existing house here has a garden to the side with a steep slope, and a garage at the bottom of the slope next to the road. The proposal is to build a second house and 2 garages in this garden area. Another example of "site-splitting" in the Chester Road Conservation Area. Neighbours are upset, particularly as a previous attempt to build a block of flats was refused. BPC CRA has made an objection. The applicant is in the process of lodging an appeal due to the delay in a decision.

APP/20/00677/F

09/07/20

7 Chaddesley Glen

On 4 December 2018, permission was granted for a block of 5 flats to replace this single house. This new application is for a bigger development of 8 flats. Neighbours are understandably upset, and BPC CRA has made an objection. Mohan has "called-in" this proposal.

APP/20/00276/F

12/03/20

2-4 Leicester Road

This is another proposal to demolish three bungalows and replace them with three blocks of flats (37 in total). Once more, this site is on the edge of the Branksome Park Conservation Area, and another major issue is the impact on traffic, on the stretch between Lindsay Road and Penn Hill. BPC CRA has registered an objection, but there have only been about 10 comments from neighbours, as the site is surprisingly isolated due to all the roads and the Penn Hill car park. One comment describes the existing bungalows as "an eyesore", and says the new building would be more welcoming! The site is of course quite close to the McCarthy & Stone development in Lindsay Road. The BCP Highways Authority has recommended **Refusal** due to the impact on traffic.

APP/19/01569/F

06/01/20

Carisbrooke, 172 Canford Cliffs Road

As expected, McCarthy & Stone have submitted this proposal for a large block of retirement apartments (assisted living/extra care). Unfortunately, the block seems to be larger and higher than was shown in their earlier consultations, and this has led to a large number of objections. A decision by the BPC Planning Committee was expected on 15 October 20, but has been delayed (again).

APP/19/01224/P

31/10/19

2 & 2A Burton Road (22 Balcombe Road)

As soon as the flats at 18/20 Balcombe Road were granted permission, this new application appeared for the corner site. The proposal is another block of 37 flats with access and parking. This plot is actually within the Conservation Area, and the plan should not be considered acceptable. There are now at least 45 objections, including one from BPC CRA. Both of our Councillors (May and Mohan) have arranged for this application to be "called-in".
