Planning Lists for Meeting 8 March 2023

Lists for period 6 February 2023 to 3 March 2023

Another very quiet few weeks.

DECISIONS

APP/22/01052/F

12/08/22

9 Brudenell Road

This is a new application, by a different developer, which claims to be less obtrusive than the one which is currently under appeal (**20/01233/F**). On 8 September 22 a full array of revised plans was submitted. BPCRA made an objection on 15 September 22, but noted that this was not as bad as previous attempts. This was **Granted** permission on 14 February 23.

APP/22/00538/F

21/04/22

Branksome Chine Cafe

This application to construct decking over the beach next to the cafe is another component of the Rockwater project. On 28 February 23 it was **Granted** permission, but with a number of detailed conditions. These include No Lighting, No Amplified Music, clearance of decking between 9 pm and 8 am, and restriction to ancillary use by the cafe. There is a further constraint to say that the decking will have to be removed in 3 years time if it is not granted permission for longer use. The amount of decking has also been halved since the original proposal. It remains to be seen how this works out in practice.

APPEALS

APP/22/00577/F

28/04/22

7A Spencer Road

This is a shocking proposal to demolish the existing house and replace it with a very large block of 7 flats. This is completely inappropriate in this well balanced road, which is also in the Canford Cliffs Conservation Area. All the properties in this road are detached, in various designs, apart from one which was split into 3 flats before the creation of the Conservation area. There have already been many objections from the local residents, and also one from BPCRA. An Appeal has now been lodged, but not yet started, due to the long delay in obtaining a decision. Much emphasis is placed on the suitability of the proposed Arts and Crafts design, but no recognition of the negative impact of a block of 7 flats.

APP/22/00268/F

15/03/22

14 Links Road

There has been a series of applications to build various properties in the back garden of this site, stretching over about 5 years. This latest application is for a smaller 2 bedroom bungalow, but was **Refused** on 6 May 22. It has now gone to appeal, with an official start date of 13 December 22.

APP/22/00545/F

25/04/22

6 Burton Road

This proposal for an extra house in the garden was **Refused** on 5 August 22, and an Appeal has now been validated, in 21 November 22. No start date has yet been decided.

APP/20/01233/F

11/11/20

9 Brudenell Road

This site, which is effectively on Haven Road, has a history of contentious applications. The latest one, for 9 flats with one storey higher than the previously accepted application, was **Refused** on 27 July 21. It has now gone to Appeal, with an official starting date of 27 June 22.

APP/21/01459/F

29/10/21

4 Burton Road

Yet another attempt to develop the garden of this property. This new application is for 2 detached houses, supposedly reducing the density of the plot. It would still mean three houses in a single plot, within the main Conservation Area. The two new houses are a particular problem for the residents of Dover Road. BPC CRA lodged an objection on 15 November 21. On 20 December 21, an appeal was lodged, based on the failure to meet the deadline for a decision. The Appeal has now officially started, on 24 June 22.

APPLICATIONS

APP/23/00156/F

27/02/23

5 Oratory Gardens

Following the refusal of a previous application to replace this house with three new ones, this is a new application to upgrade the existing house and add one new one with access from Western Road. This may be less controversial.

APP/22/01767/F

18/01/23

6 Burton Road

Yet another application for this site, this time for a large single house. This proposal would not conflict with the Conservation Area rules, except for the fact that the site plan still shows the back garden as a separate plot.

APP/22/01769/F

11/01/23

6 Burton Road

This is another application for two linked detached houses on the site, but does show the whole plot on the site plan. This would be site-splitting project, in breach of the Conservation Area rules, and BPC CRA will be making an objection.

APP/22/01768/P

10/01/23

18 Nairn Road

There is already an ongoing application to demolish the existing building and replace it with 2 detached houses (**APP/22/01485/F**). However, this new proposal is to build a block of 6 flats, which seems excessive. The plot is on the corner of Nairn Road and Dornie Road, and the block would be damaging to the neighbours. BPC CRA has made an objection.

APP/22/01763/F

22/12/22

BRANKSOME PARK & CANFORD CLIFFS

RESIDENTS' ASSOCIATION

THE PARISH OFFICE • THE BRANKSOME ST ALDHELM CENTRE • 401 POOLE ROAD • BRANKSOME • POOLE • DORSET • BH12 1AD

6 Canford Crescent

This is a site-splitting proposal to replace one house with two 3-storey houses. As usual, the main problem is the impact on the houses to the rear of the site, on Nairn Road.

APP/22/01690/F

08/12/22

4 Canford Crescent

This latest application is for a large detached house to replace the existing building. It is quite close to the borders on both sides. Over the last 3 years, there have been attempts to build a block of 5 apartments, and to replace the existing house with 2 detached houses.

APP/22/01470/F

24/10/22

31 – 37 Haven Road

This is one of a series of applications by TESCO, which confirms the rumour that they are once more planning to create a new TESCO EXPRESS in Canford Cliffs Village. Permission to convert the four existing shops was already granted in 2017, but the process has to be repeated due to the delay. There will probably be concerns about the car parking at the rear, but at least it will replace the empty shops.

APP/22/01429/F

14/10/22

14 Dover Road

This is a large plot next to the gravel track at the southern end of Dover Road. The proposal is to replace the existing house with two houses, one of which would use an existing access from Withingham Road. This site is in the Conservation Area, and BPCRA has made an objection to the site-splitting.

APP/22/00986/P

03/08/22

6 Lindsay Road

This application (by Fortitudo) is to demolish the existing house and replace it with a block of 10 flats. While this seems to be consistent with other developments in this location, the proposal does not yet show much information. It is possible that the block may be too high, even though it is designed to be hidden by the existing trees.

APP/22/00371/P

17/03/22

13-15 Lindsay Road

As expected, this is a new proposal following the Refusal of the previous one for a large block of 25 apartments. The new version shows two buildings, with more space as a result, and reduced to 20 apartments. The existing site has two bungalows, with fairly large plots. The suggestion is that enough trees will be left to maintain the sylvan appearance from the road.
